Re: PQ 30679/22 – St Luke’s Hospital

“To ask the Minister for Health the additional services that will be delivered to St. Luke's General Hospital, Kilkenny in 2022; and if he will make a statement on the matter.”

Dear Deputy Cullinane,

I refer to the above Parliamentary Question seeking an update on additional services in St Luke’s Hospital, which has been referred to the Ireland East Hospital Group for direct response.

I have had this matter examined and am advised that that clarification had been sought, by St Luke’s Hospital, from the office of the Deputy but as the clarification has not been forthcoming for a number of weeks now the question cannot be answered.

Yours sincerely

Ms. Sinéad Brennan
Director of Quality, Clinical Governance & Patient Safety
