

29th June 2022

Deputy Pa Daly
Dáil Éireann
Dublin 2

PQ ref 31064/22

“To ask the Minister for Health the start date for a dietitian within the north Kerry CAMHS team; and if he will make a statement on the matter.”

Dear Deputy Daly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Please note, there is no dietetics post associated with North Kerry CAMHS team. Historically, dietetics are not a core element of the Child & Adolescent community mental health teams.

In acknowledging the requirement for specialised dietetics services for children within North Kerry CAMHS, funding is made available on a case by case basis to access private provision.

I trust the above clarifies the queries raised.

Kind Regards,

Mr Kevin Morrison
A/Head of Mental Health Services
Cork Kerry Community Healthcare
