Dear Deputy Cullinane,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for response.

Please note that information is not available in the format requested. As waiting list data is a point in time measurement, below is the percentage of those waiting greater than 12 weeks at end of April.

I trust this information is of assistance to you.

Yours sincerely,

---

Yvonne O'Neill,  
Interim National Director,
