Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The information you have requested is outlined in the table below and outlines the Hospitals that provide the services you have requested, and the number of patients seen in each unit in each of the years 2016 to 2021.

Please note that no catchment area is specified for service.

Also note that CHI Connolly commenced reporting August 2019.

I trust this response is helpful.

Yours sincerely,
