Re: Parliamentary Question – 32147/22

To ask the Minister for Health the number of applications for augmentative and alternative communication devices that have been approved for service users of a centre (details supplied) that are currently being processed.

(Details) - the Disability Team in Springfield, Mullingar

Dear Deputy Clarke,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and I outline the position as follows.

The number of applications for augmentative and alternative communication devices for the service users of the Disability Team CDNT 7 in Springfield Centre, Mullingar is as follows;

- One approved
- One currently pending and awaiting further information.

These details are for this year only 1st January 2022 to 20th June 2022

I trust the above is in order, please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Des O'Flynn
Chief Officer
Midlands Louth Meath Community Health Organisation
