Deputy David Cullinane,
Dáil Eireann,
Leinster House,
Kildare Street,
Dublin 2.

PQ 32488/22 - To ask the Minister for Health if he will provide an update on the report on the Covid-19 response at St Mary's Nursing Home in Phoenix Park; when it will be published; and if he will make a statement on the matter.

-David Cullinane

Dear Deputy Cullinane,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for response.

The investigation team have submitted their report to me as the commissioner of the investigation. The report is very sizable and detailed and I am therefore taking due time to consider it before accepting it as finalised based on any clarifications arising. This is a standard procedure for all reports when they are received by the person who commissioned them. I will continue to seek to balance the need for expediency and the need for clarity and assurance as to the report for the purposes of implementation. In this instance, that requires input from a range of specialist areas who have been convened for this purpose.

I trust this information is of assistance to you.

Yours sincerely,

Yvonne O'Neill,
National Director,
Community Operations
