Re: PO 32494/22 – “To ask the Minister for Health the services that are presently being provided at the Ennis Primary Healthcare Centre at Station Road, Ennis, Co. Clare; when the centre will be fully operational; and if he will make a statement on the matter”.

Dear Deputy McNamara,

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

It is anticipated that the new Primary Care Centre at Station Road, Ennis, Co. Clare will be operational in Quarter 4 of 2022.

I can advise that Sonas Medical Centre, (operated by Dr. Conor Fanning) is currently operating out of the new Primary Care Centre at Station Road, Ennis, Co. Clare.

The following services will be provided from the new Primary Care Centre when it becomes fully operational:

Public Health Nursing; Physiotherapy; Occupational Therapy; Dietetics; Psychology; Speech & Language Therapy; Ophthalmology; Audiology; Podiatry; Lymphoedema; Dental; Chronic Disease Management; Integrated Care Programme for Older Persons (ICPOP); Community Diagnostics and TUSLA.

I trust this information addresses the issues raised in your representation.

Yours sincerely,

Margaret Costello,
Head of Service
Primary Care
