Deputy Fergus O'Dowd
Dáil Éireann
Leinster House
Dublin 2

Re PQ – 32988/22 - To ask the Minister for Health if he will consider the inclusion of diagnostics such as x-ray and ultrasound to be included in the range of services in the new East Meath Primary Care Centre, and if he will make a statement on the matter – Fergus O'Dowd

Dear Deputy O'Dowd,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and outlined the position as follows.

Work has commenced on the Bettystown Primary Care Centre which will provide accommodation for Primary Care, Disability and Older Person Services.

Diagnostics were not part of the schedule of accommodation and cannot now be included as, HSE Board has signed off on this project.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Des O'Flynn
Chief Officer
