Leinster House  
Dublin 2.

**PQ 33239/22: To ask the Minister for Health the number of Parkinson's disease nurse specialists currently employed in the health service per CHO area in tabular form**

Dear Deputy Clarke,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

I am advised that the HSE does not have a specific grade of Parkinson's Disease Nurse Specialists. There is a grade of Clinical Nurse Specialists. However the information relating to the number based in Neurology is not available as centrally we do not possess information at this level of detail.

Yours sincerely,

---

John Smith  
Assistant National Director
