PQ 34326/22

To ask the Minister for Health if he will provide the management structure by grade and organisational chart for occupational therapy in County Wexford; and if he will make a statement on the matter.

Dear Deputy Mythen,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which was submitted to the Minister for Health for response.

I have reviewed the matter and the following outlines the current position.

The Primary Care Occupational Therapy (OT) Department in the Wexford area is currently managed by an Occupational Therapy Manager III. All staff at senior and staff grade in primary care services, older persons and disabilities (adults) report directly to the OT Manager III who in turn reports to the General Manager, Primary Care Waterford/ Wexford. Mental Health OT personnel report to the Mental Health OT Manager, Waterford/Wexford. OTs involved with Children's Disability Services report to the Children's Disability Network Team Manager (CDNT).

I trust this information is of assistance to you. Should you have any further queries please do not hesitate to contact me.

Yours sincerely,
