Re: Parliamentary Question – 34435/22

To ask the Minister for Health if he will provide an update on actual case number assigned to the progressing disability 8 service in County Longford as of 1st June 2022 given that as of March 2022 the case load assigned was 790.

Dear Deputy Flaherty,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and I outline the position as follows.

As of 1st of June 2022 there are 786 children and young people assigned to Children's Disability Network Team 8 (Longford).

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Des O'Flynn
Chief Officer
