Status of development for greenfield site for day service in Cavan planned for decommission of Rathcorrick Day Services

To ask the Minister for Health the status of a planned project, development of a greenfield site for Day Services in Cavan and planned decommission of Rathcorrick Day Services; and if he will make a statement on the matter. - Niamh Smyth

Dear Deputy Smyth,

I refer to your recent correspondence in relation to the development of a green field site for Day Services in Cavan and planned decommission of Rathcorrick Day Services. I have examined the matter and the following outlines the position.

The plan for the development of a green field site for Day Services in Cavan was unsuccessful due to the funding required for this project not being allocated to Community Healthcare Cavan, Donegal, Leitrim, Monaghan & Sligo Disability Services. Disability Services are aware of the need to develop a new Day Services premises to replace the current Rathcorrick Day Centre. This proposal has been placed on the HSE projections/estimates for 2021, 2022 and again for 2023 for consideration. The outcome of the Estimates process regarding funding allocation will be known in Quarter 1, 2023. Cavan Monaghan Disability team have liaised with the HSE Estates Department in relation to early stage planning for the development of a new Day Service to replace the existing Rathcorrick Centre.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Edel Quinn
