11th July 2022

Deputy Pauline Tully,
Dáil Éireann,
Leinster House,
Kildare Street,
Dublin 2.

PQ 34666/22 – To ask the Minister for Health the ratio of clinicians working in prosthetics and orthotics to their clerical administrative staff; and if he will make a statement on the matter.

- Pauline Tully

Dear Deputy Tully,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question (PQ 34666/22) which you submitted to the Minister for Health for response.

In relation to your request for information regarding the ratio of clinicians working in prosthetics and orthotics to their clerical staff, the existing HSE systems do not capture this kind of data nationally. Furthermore, this kind of information is not captured through the personnel census on the basis of program type or specific grades.

I trust this information is of assistance to you.

Yours sincerely,

Seán McArt
General Manager Primary Care
National Community Operations
