Deputy Roisin Shortall.
Dail Eireann,
Dublin 2.

29th March 2022

PQ Number: 10929/22

PQ Question: To ask the Minister for Health the role of an organisation (details supplied) in the provision of mental health services for public patients; the oversight in place for the service; the amount paid by the State to the service in each year for the past ten years; and if he will make a statement on the matter. -Róisín Shortall

Details: Nua Healthcare

Dear Deputy Shortall,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

Oversight of service level agreements with NUA Healthcare is the responsibility of the CHO that the patient has been transferred from. There are regular updates between NUA and the appropriate Multi-Disciplinary Team of the CHO regarding the ongoing care plan of each patient.
