PQ 11180/22* To ask the Minister for Health the status of plans to expand services at Monasterevin daycare centre; the status of physical infrastructure expansion plans in the capital planning process; when funding will be released for the project; and if he will make a statement on the matter. -David Cullinane

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The proposal to renovate Monasterevin Day Care Centre was issued to tender with an original tender return date of 25th February 2022. A 2 week extension of time was requested and was granted. Tenders have now been received, with the validation and evaluation of these tenders currently underway.

Subject to satisfactory tender response and securing requisite approvals, it is anticipated that award of contract and commencement of construction could commence in Quarter 2, 2022, for completion in Quarter 4, 2023.

Yours sincerely,

Paul de Freine
Interim National Director,
Capital & Estates
