PQ 11674/22 * To ask the Minister for Health the status of plans to provide a primary care centre for an area (details supplied: Finglas, Dublin 11); the timescale involved; and if he will make a statement on the matter. -Róisín Shortall

Dear Deputy Shortall,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

A feasibility study for the Finglas Primary Care Centre (PCC) is complete and demonstrates that a Primary Care Centre will fit on the selected site.

The HSE are in advanced discussions with Dublin City Council and City of Dublin Education and Training Board in relation to the proposed site acquisition. The transaction has been approved by the HSE Board.

The Design Team is now engaged and Capital & Estates are proceeding with Stage 1 Preliminary Design.

Yours sincerely,

Paul de Freine
Interim National Director,
Capital & Estates
