**PQ 12367/22 Deputy Patrick Costello - To ask the Minister for Health if he will make available at home treatments for the immunocompromised such as Molnupiravir and Paxlovid; and if he will make a statement on the matter**

Dear Deputy Costello,

Thank you for your representation.

A supply of Paxlovid is expected to arrive into Ireland around the end of the month. These treatments will be available to the immunocompromised for home use. Discussions are ongoing on Molnupiravir and we do not have a confirmed delivery date for this therapeutic yet.

I hope this provides you with assistance.

Yours sincerely
