21st March 2022

Deputy David Cullinane TD
Dáil Éireann
Leinster House
Dublin 2

PQ /22/12826

Dear Deputy Cullinane,

“To ask the Minister for Health the number of patients waiting over 36 hours in an emergency department in each of the years 2010 to 2021 and to date in 2022, by hospital group and hospital; and if he will make a statement on the matter.”

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The table hereunder details the Patient Experience Time (PET) data available in response to your request. The data has been provided by the HSE Acute Business Information Unit with explanations for missing data where this is applicable. Note also that PET data is not available from 2010 to 2014.

The information should be considered with the caveats outlined.

I hope this response is helpful.

Yours sincerely,

Jacqueline McNulty
