14<sup>th</sup> March, 2022

***PQ 12834/22 To ask the Minister for Health the percentage of acute inpatient beds occupied in public hospitals in each of the years 2016 to 2021 and to date in 2022, by hospital group and by hospital; and if he will make a statement on the matter. -David Cullinane***

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

I am advised by the Business Intelligence Unit that the attached document outlines the bed occupancy rates in each of the years 2016 to 2021.

They have further advised that the data for 2022 is currently unavailable.

I trust this is of assistance.

Yours sincerely,

---
