Dear Deputy Cairns

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The PrEP service in the South Infirmity Victoria University Hospital is the only public PrEP service in Cork.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Dr. Gerard O'Callaghan  
Interim Chief Executive Officer
