Deputy Fergus O'Dowd
Dáil Éireann
Leinster House
Dublin 2

Re PQ 13172/22 - To ask the Minister for Health if he will outline all the services that will be included in the new state-of-the-art primary care centre in east County Meath; and if he will make a statement on the matter – Fergus O'Dowd

Dear Deputy O'Dowd,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and outlined the position as follows.

It is planned to have a range of services operating from the centre including the following Primary Care services:

- Public Health Nursing
- Physiotherapy
- Occupational Therapy
- Psychology
- Speech and Language Therapy
- Podiatry

In addition Disability Services and Day Care services for the Elderly will also be included.

It is expected that the centre will be operational in Q4, 2022.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Des O'Flynn
Chief Officer
