PQ 13527/22 * To ask the Minister for Health if he will provide details of the work that has been carried out to date on the development of a primary care centre for Swords given the recent passing of a motion at Fingal County Council to collaborate with the HSE on provision of land for this project; if the site has been designated; if so, the exact location of this site; and if he will make a statement on the matter. -Louise O'Reilly

Dear Deputy O'Reilly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Swords Primary Care Centre is being delivered via the HSE's Primary Care Centre Operational Lease mechanism. Swords was included on the latest National advertisement seeking expressions of interest from third Parties in the Provision of Primary Care Centres via Operational Leases.

The HSE recently sought final submissions from the interested parties that met all qualifying criteria.

This selection process has almost concluded, and the current estimated date for delivery and occupancy of the Primary Care Centre is 2025 at a site in Airside, Swords.

In line with normal procedures this Swords Primary Care Centre proposal was approved by the HSE Board at the end of January 2022.

Yours sincerely,

Paul de Freine
Interim National Director,
Capital & Estates
