PQ14085/22

To ask the Minister for Health the status of the planned provision of a new ambulance base for Kilrush, County Clare; and if he will make a statement on the matter. - Joe Carey

Dear Deputy Carey,

The Health Service Executive (HSE) National Ambulance Service (NAS) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Following receipt of the above NAS contacted HSE Estates in the Mid-West for an update, their reply below refers,

A new ambulance base in Kilrush has been identified as a priority for the HSE in the Mid-West. An option appraisal of sites in the Kilrush area is currently under way and a capital submission will be prepared with detailed briefing document, programme and costs once an appropriate site has been identified.

I trust that this information is helpful.

Yours sincerely

William Merriman
Deputy Director
National Ambulance Service
