**"To ask the Minister for Health if he will provide an update on the measures to combat the delay in the issuing of birth, death and marriage certificates in County Kildare; the average wait time for the issuing of a birth, death and marriage certificates nationally and in County Kildare; and if he will make a statement on the matter." - Pádraig O'Sullivan**

Dear Deputy O'Sullivan,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question (PQ 14918/22), which you submitted to the Minister for Health for response.

There is currently no delay in issuing certificates of life events in Kildare. Applications by post to that office are currently being processed within five days from receipt of application. There is no walk in service for certificates at that office.

I trust this information is of assistance to you.

Yours sincerely,

Mary P. FitzPatrick

General Manager, Health & Wellbeing
