Re: PQ 15218/22– flash electroretinograms tests, Mater Hospital

“To ask the Minister for Health the number of flash electroretinograms tests carried out at the Mater Hospital in 2020, 2021 and to-date in 2022, in tabular form.”

Dear Deputy O'Rourke,

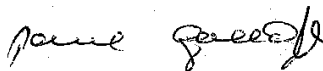

I refer to the above Parliamentary Question seeking an update on number of flash electroretinograms tests at the Mater Misericordiae University Hospital, which has been referred to the Ireland East Hospital Group for direct response.

I have had this matter examined and am advised that the number of tests are as detailed below:

YEAR	NUMBER OF TESTS
2020	61
2021	75
2022 to date	28

I trust this information is of assistance to you.

Yours sincerely
