**PQ 16524/22- Deputy David Cullinane- To ask the Minister for Health when Paxlovid will be available for use in Ireland; and if he will make a statement on the matter.**

Dear Deputy Cullinane,

Thank you for your representation.

The HSE and the Department of Health are working closely with Pfizer to confirm a delivery schedule for Paxlovid. The first delivery is estimated to be received in April 2022 and has to be confirmed.

I hope this provides you with assistance.

Yours sincerely
