**PQ 16844/22 - To ask the Minister for Health if he will provide update on the reopening of Keltoi rehabilitation unit - Thomas Gould TD**

Dear Deputy Gould,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question. I have examined the matter and the following outlines the position.

The Keltoi building continues to be required as a Social Inclusion Covid-19 isolation facility for vulnerable populations, including newly arrived Ukrainian nationals. However, I can confirm that Community Healthcare Organisation Dublin North City and County (CHO DNCC) continue to facilitate placements with a number of other Tier 4 residential treatment service providers with additional beds purchased to meet demand previously utilised in Keltoi.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

---
