PQ 16932/22 * To ask the Minister for Health if an update will be provided on the new Finglas primary care centre; and if he will make a statement on the matter. -Paul McAuliffe

Dear Deputy McAuliffe,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The HSE is committed to the provision of a new primary care centre in Finglas.

A feasibility study for such a development at the proposed location is complete and indicates that the site is suitable to accommodate a primary care centre.

The HSE are in advanced discussions with Dublin City Council and City of Dublin Education and Training Board in relation to the proposed site acquisition. The transaction to purchase the site has been approved by the HSE Board at a recent meeting.

A design team is now engaged and Capital and Estates are proceeding with the stage one preliminary design.

Yours sincerely,

Paul de Freine
Interim National Director,
Capital & Estates
