Re: PQ 17169/22: To ask the Minister for Health the number of positions in the community intervention teams for County Donegal that are currently not filled; the titles of those posts; and if he will make a statement on the matter.

Dear Deputy MacLochlainn,

I refer to your recent Parliamentary Question in relation to the number of position in the Community Intervention Teams in County Donegal which are currently not filled.

17 WTE positions were approved for the Community Intervention Teams Donegal, under the Enhanced Community Care Programme.

To date 12.5 WTE positions have been filled, and one position will be filled imminently. 3.5 WTE Staff Nurse positions remain to be filled; the Donegal HR Department advertised Staff Nurse positions in January 2022 and the campaign is underway. The remaining staff nurse positions will be filled on completion of the recruitment process.

Please find attached a table outlining the current status regarding positions in the Community Intervention Teams in County Donegal

I trust this information if of assistance to you, however if you have any further queries do not hesitate to contact my office

Yours sincerely,

Mr Patrick Murray,
Head of HR, CHO
