**RE: Car Parking charges Beaumont Hospital**

Dear Mr Cullinane

Reference your enquiry, received indirectly, with regard to the total amount charged for parking at Beaumont Hospital in 2018, 2019, 2020 and 2021, the total revenue generated by parking charges; the net revenue generated for the hospital by parking charges.

Beaumont Hospital does not operate its own car park but leases its operation to a Third Party, QPark, for which it earns an annual rent. The income is all used for the provision of services for patients. The net annual revenue generated by car parking charges is as follows:

2018 - €1.47m  
2019 - €1.53m  
2020 - €1.35m  
2021 - €0.72m

There are also 12 additional external disabled parking spaces on the campus which are located between the main set down area, Emergency Department and Dialysis Therapy Centre, these are available free of charge. Official, in date, disabled driver permit, together with hospital issued designated parking permit where applicable, must be displayed in order to park in these areas.

If I can be of any further assistance, please do not hesitate to contact me.

Kind Regards

**IAN CARTER**
