**To ask the Minister for Health the breakdown of those in County Mayo who are diabetic pump patients in tabular form.**

Dear Deputy Dillon,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question. I have examined the matter and the following outlines the position.

The following table is the data for Mayo approvals of Insulin Pumps by year since 2016 to 2021. Please note that once a patient is approved they stay on the list, therefore the numbers are cumulative.

Year	Insulin Pump	Dexcom (Continuous Glucose Monitoring)
2016	10	0
2017	14	0
2018	23	4
2019	36	0
2020	48	62
2021	32	136
<b>TOTALS</b>	<b>163</b>	<b>202</b>

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely,

*Michelle Gan*
