PQ 22281/22 * To ask the Minister for Health the reason that County Donegal only received circa 10% of the recent funding approved by the HSE for congregated settings under the capital developments scheme across community healthcare Cavan, Donegal, Leitrim, Monaghan & Sligo – Pádraig Mac Lochlainn

Dear Deputy Mac Lochlainn,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Capital funding has been provided to all de-congregation projects in CHO 1 for which capital submissions have been made. Only one such project is located in Co. Donegal. The level of funding which has been provided is sufficient to meet the needs of each project relevant to the stage a project is at in the project lifecycle. The capital programme continues to progress the de-congregation of prioritised sites as part of the €100m capital funding announced by the Department of Health in 2016 for this programme.

Yours sincerely,

Paul de Freine
Interim National Director,
Capital & Estates
