PQ 22785/22

“To ask the Minister for Health the reason that it is not currently possible to make an appointment with the Civil Registration Service to have a registry office civil marriage ceremony in County Wicklow at present; and if he will make a statement on the matter” – John Brady

Dear Deputy Brady,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question (PQ 22785/22), which you submitted to the Minister for Health for response.

We are currently recruiting staff to fill vacant posts in Bray. Available staff are working through existing requests for marriage ceremonies. As soon as the vacant posts are filled, new appointments for marriage ceremonies will be reintroduced. In the meantime, citizens are encouraged to make an appointment for a marriage ceremony in the Dublin office.

I trust this information is of assistance to you.

Yours sincerely,

Aisling Heffernan
Head of Service, Health & Wellbeing
