Re: PQ 23117/22– Emergency Dept, Regional Hospital Mullingar (RHM)

“To ask the Minister for Health the number of patients who presented to the accident and emergency department in Mullingar Hospital in 2021 and to date in 2022, in tabular form.”

Dear Deputy Clarke,

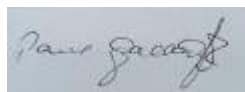

I refer to the above Parliamentary Question seeking an update on accident and emergency department in Regional Hospital Mullingar (RHM), which has been referred to the Ireland East Hospital Group for direct response.

I have had this matter examined and am advised that the number of patients who presented to the accident and emergency department in RHM is as follows:

Year	Attendance
2021	36,074
2022 (01/01/2022 – 09/05/2022 inclusive)	14,256

I trust this information is of assistance to you.

Yours sincerely

Paul Gallagher
Chief Director of Nursing and Midwifery
