**Re: Parliamentary Question – 23949/22**

**To ask the Minister for Health when the daycare Centre at Abbeyleix Hospital, County Laois will reopen to meet the huge demand for the services in the area . -Brian Stanley**

Dear Deputy Stanley,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and I outline the position as follows.

Side A building works are nearing completion. When residents move from Side B into Side A, once operational then the re-opening of Day Care in the existing Day Care will commence.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

---
