PQ 24945/22 – To ask the Minister for Health the number of applications for medical device support that her Department received from children under the age of 18 years by county in the year 2022 to date, in tabular form.

- Sean Sherlock

Dear Deputy Sherlock,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question (PQ 24945/22) which you submitted to the Minister for Health for response.

In relation to your request for information regarding the number of applications for medical device support for children under the age of 18 years by county, the existing HSE systems do not record data in a manner that would enable us to answer this query.

I trust this information is of assistance to you.

Yours sincerely,

Seán McArt
