PQ 25730/22*To ask the Minister for Health the amount of capital investment by the State on the site of a hospital (details supplied: St Vincent's Hospital) since 1990; the breakdown by year and by project; and if he will make a statement on the matter. -Duncan Smith

Dear Deputy Smith,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

In response to this Parliamentary Question, please see below a number of tables providing the information requested.

The first table lists Major Capital expenditure relating to St. Vincent's University Hospital (SVUH), by year. A breakdown of funding by year prior to 2007 is not available.

The second table lists Minor Capital expenditure for SVUH, for each year. The figure for includes expenditure on regional minor capital and specific programmes including Sustainable Energy; Medical Gas and Anti-Ligature Works. Figures include only expenditure explicitly attributable to SVUH. Expenditure records are available from 2012 only.

The third table lists COVID-1 programme expenditure for 2020 and 2021. This programme consisted of COVID-19 related minor capital emergency works.

The fourth and final table lists COVID-2 programme expenditure for 2020 and 2021. This programme consisted of COVID-19 related service continuity works.
