Dear Deputy Higgins,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted for response.

The HSE building on the Castleknock Road is designated for use as a new primary care multi-disciplinary assessment hub for children requiring assessment, who have transferred under the progressing disabilities services.

Recruitment is currently underway for this multidisciplinary team, with the service due to commence as soon as the recruitment process is complete.

Yours sincerely,

Paul de Freine
