Re: Parliamentary Question – 55216/22

To ask the Minister for Health the number of homecare support packages active in County Longford. -Joe Flaherty

Dear Deputy Flaherty,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and I outline the position as follows.

Following consultation with colleagues in Older Person services I can confirm that there are currently 72 active home care packages in Longford home support services.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Des O'Flynn
