**Re: Parliamentary Question – 55217/22**

**To ask the Minister for Health the number of agencies that are being used to cover homecare support packages in County Longford. -Joe Flaherty**

Dear Deputy Flaherty,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for a response. I have examined the matter and I outline the position as follows.

I have consulted colleagues in Older Person services and there are currently seven (7) private agencies covering the 72 home care packages in Longford home support services.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

---
