**Re: Parliamentary Question – 55219/22**

**To ask the Minister for Health the number of homecare support clients that are being serviced by agency only in County Longford. -Joe Flaherty**

Dear Deputy Flaherty,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and I outline the position as follows.

I have consulted colleagues in Older Person services and currently Longford home support provide services to 445 clients using private agencies only.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

---
