Re: PQ 55758/22 – To ask the Minister for Health if he will provide a progress update on the new East Meath primary care centre, the latest expected date for completion of the project and for services to commence locally; and if he will make a statement on the matter – Fergus O'Dowd

Dear Deputy O'Dowd,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and outlined the position as follows.

The expected date for handover of the building to the HSE is Quarter 1 2023. The Equipment process will then take place and it is expected that the primary care centre will become operational within Q2 of 2023.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Des O'Flynn
