17th November, 2022

PQ 55788/22 To ask the Minister for Health when homecare workers employed during the Covid-19 pandemic will receive their €1,000 bonus payment; the reason for the delay in paying this; if he can assure this Deputy that all outstanding payments of the bonus to all entitled to it will be paid by Christmas; and if he will make a statement on the matter. -Éamon Ó Cuív

Dear Deputy,

I refer to your recent parliamentary question which was sent to the HSE for response.

The contract for additional capacity to support payment to those non HSE/Section 38 employers covered by the government decision has been awarded. The contracted company is working with the HSE/Department of Health to progress payments to those encompassed.

Upon receipt of funding claims from employers and appropriate checks by the contracted company/HSE on same prior to approval, payments will commence to these employers within the month of November. The employers will then pass on payment to their eligible staff.

I trust that this information is sufficient to meet the Deputy's needs.

Yours sincerely,

Marie O'Sullivan
