“To ask the Minister for Health the GP-to-person ratio in CHO7”

Deputy Catherine Murphy

Dear Deputy Murphy,

The Health Service Executive has been requested to reply directly to you in regard to your Parliamentary Question, which you submitted to the Minister for Health for a response. I have examined the matter and the following outlines the position.

The Health Service Executive can confirm there are currently 317 GMS (Medical Card) GPs in Dublin South, Kildare & West Wicklow Community Healthcare (CHO 7) and 265,742 GMS card holders, this gives an average of 838.3 GMS patients to every GP. We do not hold data in relation to private GP's and private patients.

I trust this information is of assistance to you but if you have any queries or require any further information please do not hesitate to contact me.

Your sincerely,

Gillian Farrelly
Interim Head of Service, Primary Care
