**PQ 57597/22**

**To ask the Minister for Health the average patient experience time to admission via an emergency department for all patients, Statewide and for each location for October 2022. The average for patients aged under 75 and 75 plus, statewide and for each location. The number of patients who attended and were admitted below the average and the number waiting longer than the average, and if he will make a statement on the matter.**

**PQ 57598/22**

**To ask the Minister for Health the average patient experience time to admission via an emergency department for all patients, statewide and for each location for October 2019. The average for patients aged under 75 and 75 plus, Statewide and for each location. The number of patients who attended and were admitted below the average and the number waiting longer than the average; and if he will make a statement on the matter**

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

I attach data with regard to the average patient experience time (PET) to admission via an emergency department for all patients for October 2019 and October 2022. Please note that the number of patients below the average and those waiting longer than the average is not currently reported or available.

The attached excel sheet provided data on the average patient experience time to

I trust this response is helpful.

Yours sincerely,

Jacqueline McNulty
