Deputy Emer Higgins
Dáil Eireann,
Dublin 2.

PQ ref 57971/22 – Re: Holy Family Community School Rathcoole

“To ask the Minister for Health the reason that first-year students from a school (details supplied) are being asked to travel to a HSE facility in Cherry Orchard to avail of the HPV vaccine which is normally administered in schools”

Deputy Emer Higgins

Dear Deputy Higgins,

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question, which you submitted to the Minister for Health for a response. I have examined the matter and the following outlines the position.

The Health Service Executive can confirm that the reason for calling the Holy Family Community School first year students to another location is that the school are unable to facilitate the clinic on site due to space limitations.

I trust this information is of assistance to you but if you have any queries or require any further information please do not hesitate to contact me.

Yours sincerely,

Gillian Farrelly
