**To ask the Minister for Health if he will provide an update on a planned new primary care centre in a location (details supplied); the stage that this development is at; and if he will make a statement on the matter.**

Dear Deputy Kerrane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question. I have examined the matter and the following outlines the position.

Planning has been granted for the new Primary Care Centre in Ballaghaderreen. The developer is currently compiling the required documents to complete the agreement for lease with HSE solicitors. It is hoped to receive these in the coming weeks to progress this project to site next year.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely,
