Dear Deputy O'Bróin

I refer to your recent PQ which has been forwarded to me for attention.

PQ 58244/22: To ask the Minister for Health the number of patients on the waiting list for surgery in a hospital (CHI Crumlin. Condition: Hypospadias Penescrotal) in order to treat a specific condition.

Childrens Health Ireland (CHI) Response:

Children's Health Ireland (CHI) at Crumlin can advise that there are currently 120 patients on the in-patient and day case waiting lists for different types of hypospadias repairs. It is important to note however that the detail is not available regarding the particulate type of hypospadias repair outlined in your parliamentary question.

Yours sincerely
