Deputy Thomas Gould
Dáil Éireann
Leinster House
Dublin 2

6th December 2022

PQ 59072/22 - To ask the Minister for Health the amount raised by charges in minor injuries units by unit in the years 2019 to 2021 and to date in 2022, in tabular form. -Thomas Gould

Dear Deputy Gould,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary question, which you submitted to the Minister for Health for response.

I am advised by HSE Finance that in terms of the source of the information, they have identified the Minor injury units and took the outpatient charges from the Consolidated Financial Intelligence System for the relevant periods.

Please see table below and notes hereunder.

Local / Minor Injury Units	2019	2020	2021	2022 OCT YTD
	€000s	€000s	€000s	€000s

Total	2,016	1,720	2,405	3,018

Notes

1. In the case of Monaghan Hospital, all billing is done through Cavan General Hospital and it is not possible to separate the income for the MIU at Monaghan.
2. 2022 figures are to be taken as draft until the accounts are audited and finalised circa. May 2023.

I trust this is of assistance.

Yours sincerely
