Dear Deputy Burke,

Acute Operations has been requested to reply directly to you in the context of the above Parliamentary Questions, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position as provided by each Hospital Group.

Childrens Health Ireland	
Dublin Midlands Hospital Group	1 in St. James' Hospital
Ireland East Hospital Group	1 in St. Vincent's University Hospital 1 in The Mater Misericordiae University Hospital
RCSI Hospital Group	0 (Please note that Beaumont Hospital does not have a PET scanner. However, a PET scanner will be part of the Phase 2 Radiation Oncology expansion scheduled for completion in 3 years)
Saolta Hospital Group	0

University of Limerick Hospital Group	There are no PET CT scanners available at UL Hospitals Group.
